## Student Reflection Profile - CyberFair 2026

**Theme: CONTRIBUTE & Unite!** (Every contribution counts. Even small contributions can lead to great things. So, let's CONTRIBUTE and unite to protect our communities, our environment, our culture, our health, our animals, and our future.)

### CATEGORY 6: Historical Landmarks

Name of the student: Barrabi Dutta

Class: 10 Section: B

Name of the activity: visiting the General Post Office of Kolkata

Name of the person whom you interviewed:

An official from GPO, a street vendor who works in packaging, a group of foreign travellers

Your takeaway from the activity:

The history, heritage, and role of the GPO that still persists are essential parts of our own stories, and even places that may seem obsolete are things worth preserving.

How will this experience enrich you as a person?

The experience of visiting the GPO of Kolkata really refreshes your mind and soul because of the beauty of the architecture. The diverse perspectives of the interviewees and their take on the history and beauty of a heritage building is something worth listening to.

#### CATEGORY 6: Historical Landmarks

Name of the student: Rachit Jain

Class: VIII Section: C

Name of the activity: General Post Office (GPO), Kolkata

Name of the person whom you interviewed:

2 employees, 5 foreigners, and 1 frequent visitor

Your takeaway from the activity:

I learnt that although we are progressing, but we must stick to our roots. I also learnt ~~the~~ about the historical monument by the workers over there.

How will this experience enrich you as a person?

This experience has made me more conscious towards protecting our heritage sites and also keeping it clean. It also taught me to stay at the ground level as we wrote letters to our loved ones which I never thought of ever doing it in my life.
