

Lakshmipat Singhan Academy

Student Reflection Profile - CyberFair 2026

Theme: CONTRIBUTE & Unite! (Every contribution counts. Even small contributions can lead to great things. So, let's CONTRIBUTE and unite to protect our communities, our environment, our culture, our health, our animals, and our future.)

CATEGORY 6: Historical Landmarks

Name of the student: Bhavya Agarwal

Class: XI Section: A

Name of the activity: Heritage through GIMP

Your takeaway from the activity:

This activity showed me how heritage can be understood and communicated through digital creativity.

How will this experience enrich you as a person?

It helped me become more observant and expressive while working with historical themes. The activity also increased my sense of responsibility towards preserving heritage and showed me its importance.

CATEGORY 6: Historical Landmarks

Name of the student: Akshath Mukhanic

Class: 11 Section: A

Name of the activity: Heritage Through GIMP

Your takeaway from the activity:

It helped me understand how digital tools can be
used creatively to represent heritage sites in a
visual and meaningful way.

How will this experience enrich you as a person?

This experience has enriched me by developing my
creativity. It taught me how technology and art
can be combined to spread awareness about
history & culture.

CATEGORY 6: Historical Landmarks

Name of the student: Samarvi Jhunjhunwala

Class: XI Section: C

Name of the activity: Heritage through GIMP

Your takeaway from the activity:

It showed me how we could show the beauty of the
heritage sites via digital art. It also conveyed the
deep meaning & essence of heritage sites

How will this experience enrich you as a person?

As someone who loves learning and exploring new things,
making the heritage sites shine, made me realise how
important they are. I learnt a lot of new things. It was
very fun and I could explore new things. It was an
enriching experience.
