Student Reflection Profile - CyberFair 2026

Theme: CONTRIBUTE & Unite! (Every contribution counts. Even small contributions can lead to great things. So, let's CONTRIBUTE and unite to protect our communities, our environment, our culture, our health, our animals, and our future.)

CATEGORY 6: Historical Landmarks

Name of the student:

Dhruv Jain

Class: 8

Section: C

Name of the activity:

Ganga Ghat cleaning

Name of the person whom you interviewed:

Anasua Dey

Your takeaway from the activity:

We should enrich students. This is a great initiative taken by Rotary club.

How will this experience enrich you as a person?

I learnt to clean the surrounding places and encourage our society for the same.

CATEGORY 6: Historical Landmarks

Name of the student:

Nimisha Gupta and Aarna Jain

Class: VIII

Section: A&C

Name of the activity:

Ghat cleaning drive

Name of the person whom you interviewed:

Enakshi Majumder

Your takeaway from the activity:

Always we cannot blame the government, we should also take actions to improve it. Hence it is our duty also. Hence, individual and collective effort matters.

How will this experience enrich you as a person?

As a person, it helps me engage with a lot of people, ~~at~~ who are not of my background. I get to connect with people. It helps me enhance my communication skills. It also teaches me teamwork.

CATEGORY 6: Historical Landmarks

Name of the student:

Tanisha Sethia & Naveeka Tibrewal

Class: IX

Section: D

Name of the activity:

Ghat Cleaning Drive 2025

Name of the person whom you interviewed:

Dr. Shashwati Mukherjee

Your takeaway from the

activity:

We as a citizen of Kolkata should be proud and obliged to clean the city and the ghats. It is our duty to preserve the cleanliness and the beauty of our city.

How will this experience enrich you as a person?

This experience has taught us to be socially aware of the discarded products that harm the environment. So, only a judicious and a contemplative choice can make a difference in the society. Small act of cleanliness and preservation can make a huge difference ^{change} in the environment.

CATEGORY 6: Historical Landmarks

Name of the student:

Dhriti Bhasadwaj, Vidhi Chaturvedi and Ashwita Agarwal

Class: IX

Section: B, C & D

Name of the activity:

Ghat Cleaning

Name of the person whom you interviewed:

Dr. Sashwati Mukherjee

Your takeaway from the activity:

• Ghats are not well maintained, even though there are diverse activities taking place (wedding photoshoots, shraad) people are not aware of cleanliness and civic duties.

How will this experience enrich you as a person?

• It has made me inspired to protect our cultural heritage, clean our environment and secure a cleaner better future.

• It has been a motivational act - as some people seemed really enthused.

• It has imbibed a sense of peace, joy & we pledge to do our duties as a citizen.
